

UNCLOGGING THE SALES PIPELINE

Unclogging the Sales Pipeline

...is an audience-interactive workshop in understanding and managing your sales pipeline in order to generate more revenue through-put.

Participants will learn how to:

- Recognize a “clog” before it occurs
- Get their pipeline “unstuck”
- Manage it - so it doesn’t manage you
- Create forecastable revenue

John Starling is the Founder of Smith Growth Partners, Inc. a management consulting firm founded in 1999. Since that time he has advised and trained global companies including Microsoft, Bank of America, CompuGroup Medical and Wells Fargo, as well as hundreds of mid-market companies and NPOs.
